- 1— Song and Cheer led the Pioneers in SPIRIT and enthusiasm. The Song squad is the defending State Champions. The dedication, service, and caring are trademarks of Song and Cheer demonstrating their SPIRIT.
- 2— Disneyland salutes the '83-'84 CIF wrestling champs of Western High School. For two straight years the Pioneer Varsity has captured their division of CIF. This years squad has quite a task ahead if they are going to repeat.
- 3— Students are a major part of school spirit TOO!
- 4— Looking at the tradition of Western only creates stronger SPIRIT and desire to succeed, not to let that SPIRIT die.

NEW BEGINNINGS

Mr. Craig Haugen

This is not only Haugen's first year at Western, but also his first year as a principal. He has spent his entire career in this district, working his way up from teacher to his present position. "I sincerely feel lucky to have been appointed to Western. It's very refreshing to be in such a positive atmosphere."

He sees Pioneer Pride as a need and very important, particularly in academics. When asked how he was going to boost the spirit at Western, he replied, "How can I? The spirit is great already. All I can hope for is to maintain and support it." However, he would like to help the students reach their full potential. "You need to expect more from the students to get more out of them. If you never expect them to do better than average, they won't."

Haugen had some exposure to Western, having worked for a time at Orangeview, but his first encounter with Western's staff was impressive. "During the summer I had the chance to meet every single teacher. At some time or another, everyone of them came through the office. That kind of dedication is unheard of." He feels there is a very positive attitude in the staff that is transferred to the students.

Ms. Manemann

Manemann comes to Western with years of experience as an English teacher. She was very impressed with the kindness and cooperation of the students at Western.

Ms. Bosna

This returning counselor is very glad to be back at Western after her one year leave. She now handles Scholarships and Financial Aid, also.

Mr. Pascal

One of the things he enjoys most is watching kids grow from the time they are a freshman to the time they leave Western as a Senior.

Ms. Kline

The dedicated staff impressed this new A.P. "Everyone went out of their way to introduce themselves and be friendly. I felt like I really belonged."

Mr. Cross

Cross was overwhelmed with the involvement of parents and students. The donated time and commitment preparing for another school year simply amazed him.

Mrs. Golobay

Golobay hopes to help A.S.B. develop their communication and organization skills. They are permitted to exercise their responsibility and grow as individuals.

Freshmen

Life begins anew at Western, and freshmen are faced with many differences and a year full of adjustments.

"I'm suddenly the youngest again."

"The biggest adjustment was going from the top to the bottom again."

"I had a hard time finding my way around school."

"The biggest difference was having to use a bottom locker."

"The work is harder and you have to be responsible for yourself."

"I was afraid I'd have to kiss the W in the gym."

"The upper-classmen knew the teachers, the schedule, the classes and we knew nothing ... It was scary."

"I couldn't believe how big everybody was!!!!"

"PIONEER PRIDE"

- 1— Del Louis returns it all the way as Varsity Football has an 8-2 record for a great year and into CIP.
- 2— Song and Cheer create PRIDE through hard work and arousing school spirit. These girls spend hours of their time giving to Western High School.
- 3— PRIDE in victory, PRIDE in our Alma Mater, PRIDE in ourselves is the spirit at Western.
- 4— The school band supports the school and creates PRIDE in so many ways. They practice early in the morning, play at assemblies, go to sports events, and march in parades and shows and bring honor to our campus.

$$f(x) = \lim_{y \rightarrow 0} \left[\frac{1}{\sqrt{\pi}} \int_0^x \frac{(x-t)^{-1/2} f(t) dt}{(t-x)^{1/2}} - \frac{1}{\sqrt{\pi}} \int_0^x \frac{(x-t)^{-1/2} f(t) dt}{(t-x)^{1/2}} \right].$$

The independent variables are "Age of the head of household" and "Gender of the head of household". The table includes the coefficient estimates, standard errors, t-statistics, and p-values for each variable.

JUNIOR VARSITY CHEER

This years Junior Varsity Cheer squad lent great support to all JV and Varsity teams. They performed at all Pep Assemblies and displayed the SPIRIT that shows their true PIONEER PRIDE. VARSITY FOOTBALL

Western's varsity Football team had a very successful season. The players had a lot of talent and with hard work, discipline, dedication and leadership they made this year a winning season. The Pioneers are lucky enough to have a tremendous coaching staff headed by Jim Howell. Randy Sheets and John LaMorte had a great year on defense. Other exceptional defense players were Kerby Cate, Tony Fesili and Jim Nason. Chris Chase led Western's offense, with dynamo Del Louis as ball carrier. Outstanding receivers were John Allen, Brent Boggs. 8-3 record, the Pioneer's one of the best seasons in ten years qualified them for C.I.F.

Kerby Cate gives his all ... and more.

The team plans their strategy

Western's Varsity Water Polo team, under the direction of Larry Senglaub and Curt Montgomery, was a very young one this year. Although there was only one senior, that makes a good outlook for next year's team. Hard practice makes a good team, that is exactly what the team does. The athletes arrive at 6 o'clock a.m., two hours before school to start their practice. After a full day of academic study the team resumes practice again until 4:30 p.m.

This year's season record was 7 wins and 9 losses. The team placed third in league, and this qualifies them for C.I.F. This was the fourth year in a row that they went to the play-offs.

JUNIOR VARSITY

VARSITY TENNIS

The 1984-'85 Varsity Tennis Team, led by Mrs. Sammon, placed second in Orange League. This year's team consisted of many new and inexperienced players, but dedication and hard work helped Western to qualify for C.I.F. play-offs. They went to C.I.F. with an 8-2 record, but were defeated by La Serna in the first round. Because the team was made up of mostly underclassmen, the outlook for next year's team is very good.

Ana Maria Gill and Rhonda Price teamed up in doubles to become the best team in the Orange League with a 29-1 record. Singles player, Angela Clement, made 1st Team-All-League with a 23-4 record. Ana Maria Gill and Angela Clement teamed in doubles to reach the finals of the Orange League Tourney to qualify for the C.I.F. Individuals Sectional at U.C. Irvine.

The JV's were led by Jr.'s Lonnie Hansen, Alvin Lott, and Man-Shun Siow, sophomores Craig Shimihara and Javier Rivas, also played a vital role, especially with aggressive defense. The JV's were an exciting team to watch, with their run and gun style of play, and tenacious "Up tempo Defense," they were able to compete with any team of the league. Mark McDevitt, Mike Cobleigh and Wolfgang Kuhr, a senior from Germany, freshman Scott Ayers, and Toby Howell all played important roles on this squad.

GIRLS TRACK

A small but competitive group make up the Girls Track Team this year. School record holder Ana Maria Gill and Lori Olsen have already served notice that they intend improving and being there in CIF. Distance runners Ann Ashcraft and Tina Huber had outstanding All-League performances. Rhonda Kennedy, Stacy Galler, Lisa Bernal, Gina Jensen, and Laura Zarate showed promise for the future.

Steve Hefferan clears 6 feet.

Art Giovanni has a strong finish.

The Varsity track team was a young group with only five seniors on the squad. Graduation took some good athletes but there were some quality people in many events. Junior jumper Steve Hefferan had a great season in the high jump and triple jump as did Sophomore sprinter Kirk Ayers. Both Steve and Kirk were ranked among Orange County's best. Tim Pastor, Bobby Posadas, and Bud Norris rounded out a seasoned jumping group. Junior Kelly Weissenfels headed the young distance crew along with Sophomore Andrew Nieves. Great season for a hard working team.

The youth movement is here, especially in the distances. Mark Winstead, Todd Fournier, and Gary Bagdasarian head a good group of milers. Field event people Art Giovannini, Dan Thompson, Owen Potter and Ephriam Molina have done well in early meets.

JUNIOR VARSITY TENNIS

J.V. Tennis began the season with 3 wins and 2 losses in pre-season. The team entered league play with high hopes of winning the league with 3 wins and one loss. Junior Varsity Tennis has two responsibilities. The first is to train players for future varsity play and the second is to represent Western in J.V. competition.

- 1— Doug Paine and Steve Smith team up for a double triumph.
- 2— Robbie Hansen serves up a winner.
- 3— Joel Pereda serves another ace.
- 4— Mike Russo returns overhand volley.
- 5— Jeff Duncan delivers a forehand smash.

Varsity Tennis opened the 1985 season with high hopes for a league championship. Sophomore Ed Peregrino, the number two player in the Orange League in 1984, returns along with varsity players: Anthony Gregory, David Retrum, and Lonnie Hansen, Todd McDonough, Horacio Tovar, and Pat Bazinet move up to the varsity from last year's J.V. team. The newcomers, Eloy Champion, Joel Pereda, and Steve Hamilton round out the varsity team for 1985. The 1984 season ended with Western in second place and a trip to the C.I.F. playoffs. This year we will probably have gone again because the team in just their first round of league play is four wins and one loss, with an eight and two overall record.

Retrum and Champion serve to match points.

LIFE

*WHEN I'M
WITH YOU*

On a cold winter's night in January the annual Girls League Winter Formal was held at the Garden Grove Community Center. The Girls League committee transformed the room into a Winter Wonderland. Diana Vazquez and adviser Mrs. Huntley worked with the girls to decorate and create the perfect atmosphere. Couples had a great evening and danced the night away. The high moment of the evening arrived with the coronation of Queen Sylvia Lauber and King John Allen. To see the students dressed in their finery was a sight to behold. Thank you Girls League for a truly memorable evening.

LIFE ON CAMPUS

"What do you mean this note isn't acceptable?"

ATTENDANCE . . .

The attendance office and the telephone are familiar locations to Western students. The attendance office handles all absences and attendance clerks Graham and Payne do quite a job. Students are responsible for their absences and the office is a busy place especially after January 28th. If students are not present on campus an automatic dialing system is used to inform the parents of their absences.

Ms. Payne Ok's another valid absence

Best Excuses Ever . . .

Parents also call and check on attendance, here are a few reasons:
 "I came home unexpectedly and I can tell he had something to eat."
 "She drove passed me this morning when I was out shopping."
 "His surfboard is missing and I don't think he really went to school."
 "He only has one pair of shoes and they are still in his room."

"This is Sara's Mom and Sara isn't feeling well today but I will be back tomorrow."
 "I had a doctors appointment . . . all day."

Ms. Graham discusses absences with parent

THE TELEPHONE . . .

When the rain comes or when it's cold, the line-up to use the telephone becomes long and the wait is ever so long. Some students have quite a problem finding 20¢. At the left Cheryl Kitajima and Gail Bargayo have nothing better to do than to pose while awaiting use of the phone.

HEALTH OFFICE . . .

The Health Office is a favorite gathering place for many students with their various ills and problems. Mrs. McAlmond serves all students on an even keel and she is prepared to handle minor medical crises as well as major accidents as they may occur. We are very lucky to have such a great and dedicated health services co-ordinator as Mrs. McAlmond.

LET'S EAT

The chuckwagon gets a workout twice a day.

The best two times for most students each day is the times we eat. Sometimes nutrition seems like hours away. At nutrition there seems to be just enough time but then the thoughts drift to lunch. Lunchtime, the best time of the day, is a time to eat, socialize, relax, and become part of 'Pioneer Life.' There is dining on the lawn, dining inside, or just a quiet meal in *your special place*. Lunchtime is also when clubs meet, assemblies are held, and a lot of 'important socializing' is achieved. Sometimes it is a time to just relax and enjoy being alive.

PEP ASSEMBLIES

Candy, Joe, and Steve give it their all for ASB assembly.

We always close with the Alma Mater.

The classes attempt to stomp each other into oblivion.

Pep Assemblies bring together the entire student body to help support and introduce them to campus life and the various athletic teams. At these assemblies the band plays, the color guard marches, the cheerleaders cheer, and the songleaders lead in song. The assemblies are run by Pioneer Mascot — Tracy Stark.

Lunchtime is also the time when clubs meet and voting is done for the class officers, special elections, and that really special time — Homecoming. ICC is held at lunch also and helps the various clubs function smoothly and wisely.

Two or three times a year the Western students can let their imagination run wild. During Spirit Week there is Nerd Day and many students participated. Later we had Halloween Dress Up Day and many students and faculty members got into the spirit.

In the classroom is where education begins and is nurtured. Students learn to understand concepts, proper grammar, reasons for historical events, how their bodies function, how to cook and sew, and most important, how to survive in today's society. The teachers at Western perform yeoman duty as they attempt to cause students to think. After a four year high school life the main goals of most students are to graduate, get out, and go home. IT WAS A GOOD LIFE AT WESTERN.

Our '84-85 A.S.B. was composed of 16 elected members, each in charge of a different activity. We took great pride in overseeing the many varieties of clubs and projects which took place throughout the year. This past year, our council emphasized school spirit and student involvement in government. We feel we succeeded in accomplishing our goals as a group, and we would like to thank the entire student body for their support.

CONGRATULATIONS GRADS

The Senior Class Cabinet decided to continue the tradition of senior t-shirts. This year's design was created by Scott Conrad. Senior buttons, another tradition, were sold by the cabinet. "Senior Week" in May was carried out as usual. Graduation announcements were voted on in December, along with the question of blue vs. white caps and gowns. By an almost unanimous vote, the Pioneer Seniors kept the white for girls and blue for boys. Many individuals in the Senior Class Cabinet are planning a post-graduation trip to Hawaii.

The Junior Class Cabinet is perhaps one of the busiest and hardest working clubs on campus. The reason for this is that they have to earn surplus money, and organize the Junior/Senior Prom, which is not an easy task. Most of the Class of '86 is very active in other school activities, but their efforts rise above all in their activities in the Junior Class Cabinet. The advisor is Richard Juarez and the Class Officers are: Valerie Wells, President; Linda Hawley, Vice President; Lonnie Hansen, Secretary; Tina Hill, Treasurer.

The Class of '88 has shown its highly spirited Western Pioneer colors early! The Freshman class has fulfilled its goal of promoting class unity, spirit, and enthusiasm.

The January Fund raiser was a great success due to the large participation of many class members and the exceptional efforts of Michelle Bland, Steve Izabal, Yvonne Cassier, Tina Chavez, Janne Wilhelm, Holly House, and Dawn Burris.

This year the Foreign Language Club was very active in International Day. This event, the highlight of the club's year, illustrated the purpose of FLC, which is to explore different cultures and sustain the "international spirit" of unity on campus. The biannual celebration, with its show of international dress, singing, dancing and cultural food kept this spirit alive.

The big event this year is the International Day in April. Each year we spend a weekend in the mountains to reward those who work hardest and participate the most in the club. Auf Wiedersehn!

GIRLS LEAGUE

Western's Girls' League functions as a service Organization for the school and the community. Additionally, the purpose of the organization is to contribute to school spirit by inspiring leadership, thoughtfulness, loyalty, honesty, and wholesome activities. Money made by the girls through fund raising activities go to various philanthropic projects and toward scholarships. Fund raising activities this year include the Homecoming Mum sale, Christmas candy canes, Valentine's candy grams, and their largest project, the Winter Formal. The girls also held a Mother-Daughter Tea and a Banquet honoring the outstanding service contributors to the organization. The American Red Cross Blood Drives involved the entire school, faculty, and students in this worthwhile endeavor. For the first time the girls 'adopted' the residents of a local retirement home. With caroling and cookies for the Christmas holidays and other thoughtful projects. The residents had beautiful remembrances for the season. Also at Christmas the organization sponsored two needy families for Christmas, supplying Christmas dinner with all the trimmings. These families also received an abundance of canned goods collected by the girls in a campus wide food drive.

The 1984-'85 edition of Western High Varsity Club held up the long standing tradition that Mr. Bob Fieldhouse had installed many moons ago. That is, the club members worked very hard for almost no personal gain.

The club as a whole consisted of hardworking individuals who put the club and school above themselves. This year's Varsity Club was led by: John Ortiz, President; Brent Boggs, Vice President; Shana Donnelly, Secretary; Paul Boucher, Treasurer.

One of the main responsibilities of the Varsity Club is to buy new championship banners for both the Boys and Girls gyms, as well as help with equipment emergencies for the different athletic teams. To pay for these items, the club must engage in fund raisers. This year's include a very successful booth at Silverado Days and volleyball games between faculty members and club members. Greg Hoffman is the able advisor of this active club, with help from Jim Howell and Dave Bowman.

Mrs. McDermott celebrates meeting another deadline.

The Pioneer Press is the monthly publication of our school.

The newspaper process starts with a brainstorming session between the Editor and staff.

After articles have been decided upon, page editors then start designing their pages. The articles are then sent down to the district to be processed and made ready for the final print out. After hours of tedious eyestraining, the final layout of the newspaper is sent back to the district and made ready for distribution.

The 84-85 Editorial Staff consisted of: Editor-in-chief, Lisa Overholser; Associate Editor, Gentry Ficke; News Editors Kelly Black and Sandi Walsh; Editorial Editor, Cheryle Peterson; Feature Editor Lisa Overholser; and Sports Editor Chihiro Aber. This year's adviser was Vicki McDermott.

Tony Trujillo madly types to meet a deadline.

YEARBOOK

Tricia Cummins and Michelle Russell check names.

1984-85 the year of New Beginnings. The Staff of this year's book is one of the better staffs assembled here at Western High School. The tradition is building and Yearbook will become a prize that those who really care for their school can win by becoming a staff member. A special word about those who gave so much. Thank you to those on the Western staff and teachers that helped us when we really needed it. Thanks to those students that were there to complete their work and meet their deadlines. It was a good year and we had heart-break and joy all at the same time. A special thanks to Pam Wells, the editor and chief book organizer. Pam gave so much to this year's book and her dedication and effort should be saluted. Thanks to Ame Tuttle who did so many little things and helped so much. Mary and KaYee I thank you also. Western students should be proud of *THEIR* book because they are the ones that it is all about and without whom this book would not exist.

"The Burning Bed"

When your down and out, there seems no hope at all

But if you just believe there's no way we can fall

Let us realize that a change can only come

When we stand together as one.

We are the world, we are the children

We are the ones who make a brighter day

So let's start giving

There's a choice we're making

We're saving our own lives

It's true we'll make a better day

Just you and me.

— Lionel Richie, Michael Jackson

SENIOR ADS

I feel like we're spinning in a tornado. I catch glimpses of people on the outside and I see the envy in their eyes because it must be so obvious how much I love you. They're standing on the ground, watching us spin to the top of the world. You're the meaning in my life. You're the inspiration. You bring feeling to my life. You're the inspiration. I want to share my everything with you

I will exult thee, my God and King,
I will bless thy name for ever
and ever, Psalms 145

Thank you Lord for keeping me throughout these four years of school. Without you my life would be nothing.

Thank you Alw. for caring for me. Love you! "Save the 1st"

As Close As Friends, an R - By R Sweet's
The time has come to say goodbye, to all our friends. I thank you for the memories, they mean the world to me! We've been as close as friends can be, but now it's time to say goodbye. We'll be in a different place, but we'll still be friends. I know I won't let you go, and I won't let you go.

YOU OVER THE SUMMER
Hi MON-CA
Feanne
I ♥ DAYS OF OUR LIVES

Paul, Paul, George, + Ringo

all I want to say is that you are one of the biggest parts of my life. I love you both more than anything in this world. You've given me everything I've every wanted and put up with my many faults. There is no way I could ever explain or show just how thankful I am for my mom + dad, but someday I'll find just the right words to say "Thank-you". For now all I can say is "I love you"

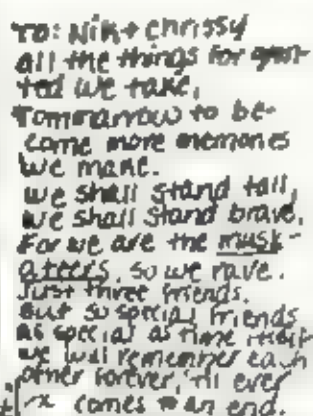

Steve:
growing up with you has been one of the
best things in my life. you've helped me
to understand myself a little better and
you've showed me just what a brother
is for. Thank-you for giving me a shoulder
to cry on and thanks for being here for me
"I'll be there" your's! TO LOVE!

Jimmy + Mike: for being "brothers," that I wish were mine.

Lisa - for being the only "ester" I'll ever have.

I hope your years at WHS are as great as mine. Be all that you can & go for it all!

mine. Be all that you can + go for it all.
Mario + Alex: for being my best friends always!
Grandma - for everything — I Love you +
Grandpa - for being here!

I just want to say - thank you for all the things we've shared
fresh + J.V. cheer, past yrs in a, practices, camps, and
out, summers at H.A. + Newport, guys, Chris's bus
rides, Rick + our surfing expeditions (don't forget
your "surf-terns") Summit last winter (Chris watch
out for everything!), Barnes, beach parties, + many
parties. Remember all the happiness and tears that
we've shared. of everything we remember, let's
remember everything we mean to one another
4-25 song. I love you both.

Now as the year comes to an end, we cherish each moment & day, reaching out to each other - a star to hang on to, keeping everything will go our way. Love, like a star, is something to hang on to, has its ups & its downs, its something we have to hold & remember - that we can hang on to for ever.

Hi Aid - I just want to say
you're the world's
best friend!!

Jody, I love
hey my love,
its been another one
game by + we made it!
We've grown up together and
I guess we'll probably grow old
together, but that's sounds cool
to me because I can't think of any
one else I would want to with. We've had
some good times and some bad ones, but
mostly good! I want you to know that no matter
what, I'll always be here for you, no matter who our
friends are or who we hang with, you'll always be
very dear + close to my heart / I hope that your
life is filled with nothing but happiness and
good times!! Good luck with summer school tho
summer, I know you'll do great! Don't worry
it'll be over Aug. 9". That'll be the radest day ever
closer to "Aug. 9". Now see, even though we
I hope you have a great summer, when we
together or apart + every day I still have a mouth-
ful to say! I guess I've wasted enough of
both of our time so I shall depart!
All my love
PEACE Dear friends
ALWAYS
